

Wellington Parks and Recreation COVID-19 Restrictions Manual

Wellington Parks and Recreation is committed to the safety and well-being of all participants involved including but not limited to players, coaches, referees, parents, staff, and instructors. This manual is meant to fulfil that commitment and is intended to support the sports manuals on our Wellington Parks and Recreation web page. If at any point these manuals conflict with one another, this manual will override the sports manuals.

Masks: Poudre School district requires masks while in their buildings at ALL times. Because we rent their facilities, we must follow these requirements to stay in good standing and continue to use their spaces. For this reason, all participants must wear face masks while in a PSD building. Staff will have extra masks if you do not have one when entering the building but bringing your own is highly encouraged!

To read PSD specific requirements, please click the link here:
